

Dear Year 5 Parents and Carers,

I am writing to advise that as part of our continued commitment to providing the best opportunities for your children, we will continue to merge Year 5 and Year 6 into a combined teaching structure next year.

This current structure is working well currently for your children in terms of educational experience and also broadening the numbers of children in the class to work and play with. We have a robust Y5/6 curriculum in place and the class will have an experienced teacher and teaching assistant working with them. We will continue to use our spare classroom as additional classroom space as appropriate.

Our Senior Leadership Team are happy to discuss this further in our open forum event this morning (22nd) at 8:45 or in a Y4/5 meeting on Monday 28th at 8:45 where you can learn more about the new structure and ask any questions you may have. We will send out a letter summarising the meetings for those who are unable to attend.

Thank you for your ongoing support. We are confident this change will bring valuable opportunities for your children and look forward to working with you to make next year a resounding success.

Kind regards,

Mrs Jennifer Thornton
