

Lets remember

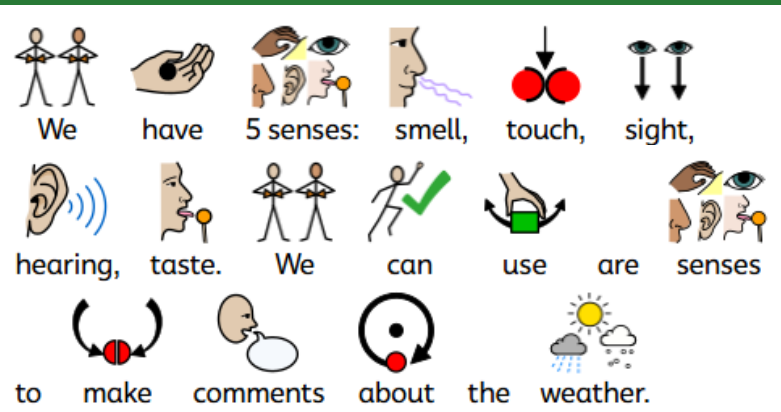

There are 4 different seasons:

autumn, winter spring and summer.

We have 5 senses: smell, touch, sight, hearing, taste.

We can use are senses to make comments about the weather.

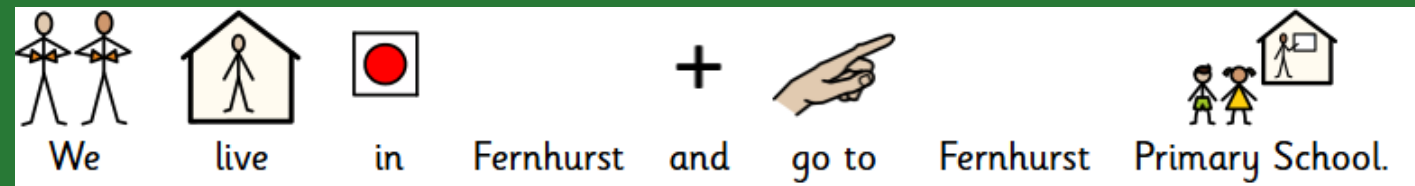

In the UK, we have different types of weather.

I need to know that...

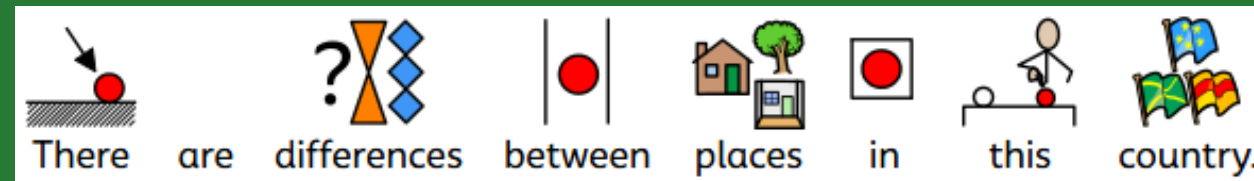

We live in Fernhurst and go to Fernhurst Primary School.

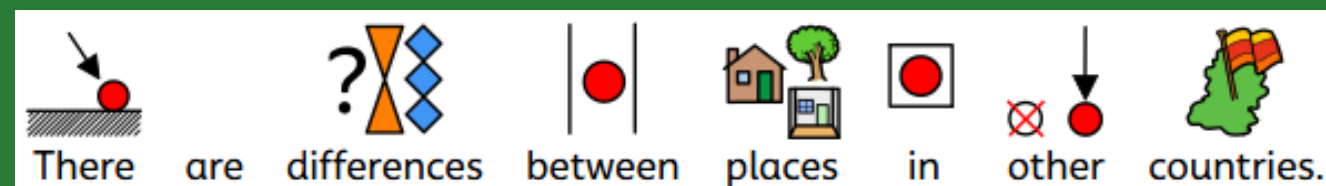

Places within this country can differ from each other.

There are differences between places in this country.

There are differences between places in other countries.

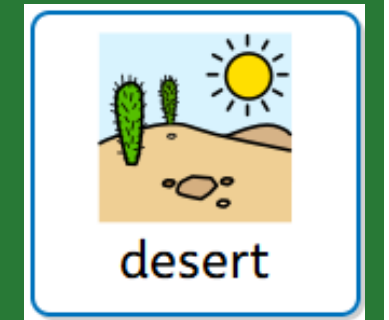

A map is a picture of a place.

A place and its features can be represent in a picture.

Glossary

Let's Explore

What clothing would you choose for a holiday in a hot or cold country?

Show your work through a poster, photos or dressing up.
Be as creative as you like!

Create a poster showing all the wonderful things you can find in Fernhurst.
