Let's Explore

Explore different ways to sing songs about transport.

Row, row, row your boat, gently down the stream,
Merrily, merrily, merrily, merrily, life is but a dream.

Chug, chug, goes the train, on the railroad tracks.
Hear the whistle blow, as we journey and relax.

Splash, splash, goes the boat, across the ocean blue.
Waves go up and down, as we explore something new.

Vroom, vroom, goes the car, gently down the road.
If you see a stop sign, remember to go slow.

Horsey horsey don't you stop,
Just let your feet go clippetty clop,
The tail goes swish and the wheels go round,
Giddy up, we're homeward bound.
